

BOARD OF TRUSTEES MEETING MINUTES – SPECIAL MEETING  
INC. VILLAGE OF WESTBURY  
VILLAGE HALL BOARD ROOM  
TUESDAY, JANUARY 31, 2023  
7:00 P.M.

Present: Mayor Peter I. Cavallaro  
Trustee Steven L. Corte  
Trustee Beaumont A. Jefferson  
Trustee Vincent Abbatiello

Absent: Trustee William B. Wise

Staff present: Chrissy Kiernan, Village Clerk-Treasurer  
Bill Mello, Senior Building Inspector

Mayor Cavallaro opened the meeting by stating that the Board was holding this special meeting as an informal way to gauge residents' preferences as to the parking restrictions that should be implemented on Earl, Ward, and Concord Streets and Longwood Avenue. Mayor Cavallaro stated that the Board usually tries to implement residents' preferences in parking restrictions, absent some exigent circumstance. Mayor Cavallaro noted that the restrictions were originally put into place because of the LIRR third-track construction, but were never really enforced, because soon after the construction began, COVID restrictions were put into place, which suspended parking regulations. Now that the LIRR construction is almost complete, and COVID restrictions are no longer in place, the Village needs to decide what to do, with resident input.

At this point, Mayor Cavallaro opened the floor for public comments. Several residents spoke either in favor of or against changing the restrictions. Some residents felt that the parking restrictions gave them a feeling of safety, while others felt that the restrictions were an inconvenience to residents living there. Clerk Kiernan noted that some residents submitted written comments, either in support of, or against changing the parking restrictions.

Mayor Cavallaro thanked the residents for attending the meeting. Clerk-Treasurer Kiernan distributed a survey to the attendees, which could be submitted anonymously, to obtain a more formal response from residents. No action was taken by the Board.
