**PLUMBING ALTERATION
PERMIT APPLICATION**

FILE NO. _____ PERMIT FEE \$ _____ DATE _____ PERMIT NO. _____

NOTICE: This form is to be used for all alterations or additions to existing plumbing systems. This application must be made in ink or typewritten and filed in duplicate. Original when approved becomes your plumbing permit and must be kept on the location and exhibited on demand to the Village of Westbury Building Official or his/her agent. Plans of plumbing, floor and vertical must accompany application, and sketches may be made on the unruled space on the opposite side of this sheet. **No application for plumbing permit will be accepted unless accompanied by such plans.** In alterations where new fixture lines or long branches are to be connected to present lines, the location and diameter of said lines must be shown on the plan and specified. All alterations and new work must conform to Article II of the Building Code.

Application is hereby made to the Building Official of the Village of Westbury for approval of the detailed statement and plans herewith submitted for the installation of plumbing and drainage as herein described.
